FaCE focuses on the development of SBCSC families and community. In collaboration with community partners, South Bend Community School Corporation offers courses and sessions to parents during the school year.

In an effort to better meet the needs of families, parent feedback is important. Please take a quick survey that can be found on your school webpage.

SBCSC & Community Working Together

- Gives families greater access to resources
- Offers opportunity for growth through volunteerism and parent education courses
- Holds all stakeholders accountable for educating children
- Fosters educational sustainability which leads to higher graduation rates and job readiness within our community

FaCE Parent Education Courses and Sessions

- **FaCE Centers:** McKinley, Monroe, and Muessel. Courses will be held at several locations in the South Bend community.
- **Many sessions and courses** are offered in Spanish and English.

Childcare

Childcare is available for children ages 3 -13 years old for classes held after school hours. Children are welcome to attend meetings during school hours unless otherwise noted.
